RESPONSE TO ADVISORY ACTION

In response to the final action of May 27, 2009, applicant filed an amendment on June 30, 2009. In the amendment, applicant canceled some claims and amended other claims to address various issues raised by the Examiner under 35 U.S.C. §112, par. 2.

The Examiner mailed an advisory action (dated July 14, 2009), which stated, among other things, that the amendments would not be entered because the status identifiers for several of the claims were incorrect.

The undersigned attorney contacted the Examiner on July 15 to inquire whether the amendments would be entered if they were resubmitted with the proper status identifiers. The Examiner agreed that the amendments would be entered if resubmitted.

The listing of claims on the following pages includes the proper status identifiers. Applicant respectfully requests entry of the amendments as discussed with the Examiner.
